Isn't it time you get a taste of the real Africa?

Only one and a half hours drive from Johannesburg and Pretoria lays a serene Nature Estate, 6km from Loskopdam, 44km from Middelburg, Mpumalanga. We like to call it perfection, and so would you!! A classical venue for all occasions and luxurious lodges for all seasons.

Ramela Ranch – nestling close to the Olifant's river with the Selons River as part of the one border, is a great getaway. We are committed to the conservation of the fauna and natural environment. Ramela Ranch is an ideal conference venue and the perfect setting for a wedding.

Ramela Ranch consists of:

- **"Dikwena Lodge"** has eight bedrooms, two conference rooms and a chapel for wedding ceremonies as well as function halls. The Lodge is situated in a beautiful garden with a swimming pool and a dam where everybody can enjoy the lovely birdlife. A crocodile dam is in the final stages of construction.
- **"Mbidi Lodge"** with its entrance 3km from Loskopdam has an a-la-carte restaurant as well as breakfast and bar facilities. In addition it offers a conference venue, volleyball court, putt-putt course and a swimming pool.
- **"Touch of Africa"** " is currently under construction. Here the Ndebele tradition will be a part of the experience.

From humble beginnings Ramela Ranch today offers you magnificent accommodation, uncompromising beauty and unparalleled service.

Situated in a breathtaking "Garden of Eden" with its pure virgin environmental ambiance, guests are welcome to relax in the beautiful gardens, in the lounge or bar for a true bushveld experience. Both lounge and bar are well situated and offer a peaceful respite after a long day.

Weddings to remember – The stone thatched chapel lends romance, charm and warmth to your wedding.

The romantic setting makes for an unforgettable event, exchanging vows, a lifetime memory. Ramela Ranch, for the romantic at heart, makes the perfect setting for the ultimate "fairy tale" wedding. The bride and groom will be pampered with a complementary bridal suite and a sumptuous breakfast.

The finest décor in the colors of your choice, together with delectable cuisine – personally prepared by our professional & talented staff - will ensure that your wedding reception is an event to remember.

Spectacular game drives are offered, by prior arrangement, to enable guests to experience the peace and tranquility of unspoiled nature and, of course, wild life.

This is truly a magnificent experience. Game drives afford guests and visitors the opportunity to observe, among many others, buffalo, sable, roan, impala, zebra, bles buck, bluewildbeest, waterbuck, rhino and redheartbeest as well as abundant bird life in their natural habitat.
